

Norwalk High School

Home of the Lancers!

Our Vision

All Norwalk High School students will graduate and be eligible to attend a four-year college or university without the need for remediation. Our students will possess the knowledge, skills, and certifications necessary to be successful in any post-secondary environment.

Our graduates will have a strong sense of what occupation they would like to pursue as a career, and will have received personalized guidance as to which post-secondary institutions, training programs, and industries will best meet their personal goals.

Rigorous Academics
